**Instructions for Completing
Amended Consolidated Special Fuel Monthly Tax Return
SF-900X**

Who should file this return?

You should file this form if you are an Indiana licensed special fuel supplier, permissive supplier, exporter, importer, or blender and you need to amend or change a previously filed Consolidated Special Fuel Monthly Tax Return, Form SF-900.

Completing the Form

You should refer to the instructions for your original Consolidated Special Fuel Monthly Tax Return, and related schedules, for the tax period being amended.

Enter your company's identifying information on form SF-900X and all accompanying schedules. Complete all information, leaving nothing blank. It is critical that you use the same license number on this report that is shown on your actual license. A separate SF-900X must be filed for each tax period requiring an amendment.

Column A: Complete lines 1 through 16 of column A by entering the amounts as reported on your original tax return, or as previously amended. (If previously amended, lines 1 through 16 will be the amounts reported in column C of the previously filed amended return.)

Column B: Use this column to report changes in line amounts from those previously reported. Changes in column B **must** be documented by attaching the corresponding schedules, as amended. If there is no change to a particular line entry, enter zero (-0-).

Column C: This column is calculated by changing the amounts reported in column A according to any changes made in column B. All lines must be completed even if some lines do not change.

Amount Due: If column C, line 14 is greater than column C, line 15, you owe additional tax. Enter this amount in column C, line 16. This is the amount of tax due; please enclose your payment with the completed return. *Caution: The amount of tax you owe should be increased by the penalty and interest due on late payments. Be certain you have completed lines 11 and 12 to reflect any penalty and interest due.*

Refund Due: If column C, line 14 is less than column C, line 15, you are due a refund. Enter the amount of your calculated refund in column c, line 16 in brackets [example].

Sign your return, and be sure that it is mailed and postmarked within the statute of limitations period. Your claim for refund will be processed within 90 days of receipt; your refund will be issued, or you will receive an explanation for why the refund was denied or reduced.

What is the statute of limitations period for refunds?

Generally, you have 3 years from the date the fuel was purchased and the tax paid to claim a refund.
